Discord link:

<https://discord.com/channels/1071081786962088018/1087761949334442025>

More info:

The Golden Company is a paramilitary organization formed with the express duty to create, defend and maintain a bustling city-state that will be a bastion for traders and a bulwark against those who wish to tarnish the Heartlands. The members of the Golden Company are renowned for their adherence to the Sigma Standard, an ideology that believes independence and self sufficiency are critical to master before one can effectively participate in a team. They will be renowned as much for their prowess on the field of battle as for their statecraft and trade. We are an invitation only organization and access will be limited to approximately 100 individuals. Bearing the gold black armor of the Golden Company will command honor and respect of those who lay eyes on it.

Logo:

The Order of Knowledge [of everything!]

Recruitment info:

Recruitment is currently open to any and all who wish to aid in the orders goals

Language(s):

We accept players of all languages (primarily English - *for now*)

Activities:

Timezone(s):

We accept players from all time zones

Discord link:

<https://discord.gg/zcK3GTgBKc>

More info:

We are not a clan or guild, we are a loose collective of like minded individuals who share a thirst & love for knowledge, who would also like that information to be shared with the most amount of people - without bias. To achieve that we plan to create & maintain an extensive network of individual/clan/guild/group built libraries that will constantly be updated with the latest books/maps/lore/history/intel/music/etc. gathered by everyone's efforts & allowed access to neutrally through the efforts of everyone's protection.

Freaklike [EN/DE, PvX,
Crafting, Exploring]

Greetings adventurers!

Embark on an epic journey with Freaklike, a dynamic clan with a passion for conquering every facet of the game. In the Alpha phase, we delved into the realms of building, crafting, and faced the challenges of formidable dungeons. Now, we are on the lookout for like-minded individuals, aged 20 and above, to join our ranks and shape the destiny of our burgeoning community.

What We Seek:

Building Visionaries: Architects with grand ideas for fortress construction.

Crafting Artisans: Master artisans in Ranching, Leatherworking, Tailoring, Fletching, and more. Resource

Gatherers: Those who relish the thrill of collecting valuable resources for our ambitious endeavors.

PVE and PVX Enthusiasts:

Our German/English community thrives in Pax Dei, aiming to dominate all professions. From establishing a colossal fortress to engaging in vibrant trade, we aspire to create a bustling marketplace.

Recruitment info: Join us if you're an explorer, healer, tank, archer, or anyone eager to conquer the vast dungeons that await.

About Us:

Freaklike is not just a clan; it's a diverse family of gamers committed to fostering a larger-than-life community. Whether you're a seasoned veteran or a newcomer, our values of teamwork, fun, and mutual support unite us.

Requirements

Enthusiasm for community growth and success. Dedication to teamwork and collaboration. A helping spirit and a
